

Circuit-Lab

Circuit Makers 101

Grades K-2

Registration Deadline: April 17, 2020

***Register online at:
www.psharvard.org "Departments" Community Education, Spectrum***

Let's get creative with electricity! In this junior version of our Hands-On Electronics class, students will gain experience with creating their own electronics; designing custom light-up greeting cards, electric games, mazes, and even musical instruments. Each class day consists of a circuitry lesson and a hands-on electronics project, using components like lights, buzzers, switches, motors, and sensors. Circuit Lab staff will make sure participants create a project that they can be proud of each day. Most class days include a take-home project.

***Tuesdays,
May 12, 19, 26, June 2, 9, 2020
3:15-4:45 p.m.
HES Innovation Lab***

5 weeks

***Minimum: 7 Maximum: 12
Fee: \$125.00***
