CENTRAL MASS SAFETY COUNCIL AUTO SCHOOL

Driver Skills Development Program

**Save up to 10% on your
auto insurance for up to 5 years! ***

**Check with your insurance carrier for specific discount information.*

The MassDOT/RMV has certified CMSC Auto School to offer this course to all Massachusetts drivers for an insurance discount. Most, but not all, insurance companies offer a discount for up to five years (check with your insurance carrier for specific discount information).

The Driver Skills Development Course runs **4½ hours** in duration and combines a **two hour classroom** session with **hands-on, in-car, vehicle control training**. Basic classroom topics include vehicle safety, road rage, high risk situations, crash avoidance, vehicle dynamics and handling. The track portion of the training places students behind the wheel in a dedicated "skid pad" environment. Students are taught the principles of handling and car control, off-road recovery, emergency accident & obstacle avoidance, and skid control. An in-car instructor carefully monitors student progress and safety at all times.
