Emphasis on Fun and Improvement

The staff at Harvard Hoops is proud to present an exciting week of basketball for boys and girls who will be in the fifth through eighth grades in Fall of 2019. We cater to basketball abilities of all levels, from the beginning to the advance player. The staff looks forward to presenting an action-filled week of basketball for all participants. We will focus on improving the fundamentals of basketball, and the importance of playing as a team while having a great time!

Coach Katie Greene has been coaching at Bromfield since the Fall of 2014. She has coached Basketball, Lacrosse and Soccer at the JV and Varsity levels. She was coach of the year for the Mid-Wach D league for the 2017 Girls Varsity Soccer season. Katie was a three sport athlete in high school and competed at the Collegiate level at Fitchburg State University on the Women's Soccer Team.
