

Circuit Makers 101: Create Your Own Electronics Circuit-Lab Grades K-2

Starts March 21, 2019 6 weeks

Let's get creative with electricity! In this junior version of our Hands-On Electronics class, students will gain experience with electronics by designing custom light-up greeting cards, electric games, mazes, and even musical instruments. Each class day includes a circuitry lesson and a hands-on electronics project, using components like lights, buzzers, switches, motors, and sensors. Circuit Lab staff will make sure participants create a project that they can be proud of each day. Most class days include a take-home project.

**Thursdays, March 21, 28, April 4, 11, 25, 2019 6 Weeks
3:15-4:45**

HES Room TBD

**Minimum: 7 Maximum: 12
Fee: \$129**

Register early! Space is limited!

Class size is limited. Registration is on a first-come first served basis as received in the Community Education office.

REFUND POLICY: Tuition is non-refundable. Check will be returned only if a class is cancelled.

Please know that it is the policy of the Harvard Public Schools not to discriminate on the basis of race, color, sex, gender identity, religion, national origin, age, disability, or sexual orientation in its educational programs, activities or employment policies as required by Title IX of the 1972 Educational Amendments, Chapter 199, and Section 504 of the Rehabilitation Act of 1973. The district compliance coordinator is Marie Harrington, Director of Pupil Services, 978-456-4143.
