

POLICY ON FACEBOOK AND SOCIAL NETWORKING WEB SITES

The Superintendent and/or the School Principals will annually remind staff members and orient new staff members concerning the importance of maintaining proper decorum in the on-line, digital world as well as in person. Employees must conduct themselves in ways that do not distract from or disrupt the educational process. The orientation and reminders will give special emphasis to:

- 1) Improper fraternization with students using Facebook and similar internet sites or social networks, or via cell phone, texting or telephone
- 2) Inappropriateness of posting items with sexual content
- 3) Inappropriateness of posting items exhibiting or advocating use of drugs and alcohol
- 4) Examples of inappropriate behavior from other districts, as behavior to avoid
- 5) Monitoring and penalties for improper use of district computers and technology
- 6) The possibility of penalties, including dismissal from employment, for failure to exercise good judgment in on-line conduct

The Superintendent or designees will periodically conduct internet searches to see if staff members have posted inappropriate materials on-line. When inappropriate use of computers and websites is discovered, the School Principals and Superintendent will promptly bring that inappropriate use to the attention of the staff member and may consider and apply disciplinary action up to and including termination.
