

ADVERTISING IN THE SCHOOLS

The School Committee may grant permission for advertising of commercial products or services in school buildings or on school property under guidelines or regulations it may approve. Otherwise, no advertising of commercial products or services will be permitted in school buildings or on school property. Publications of the school district will not contain any advertising unless approved by the Superintendent. However, this will not prevent advertising in student publications that are published by student organizations, subject to administration controls, or the use of commercially sponsored, free teaching aids if the content is approved by the administration.

Solicitation of sales or use of the name of the school district to promote any product will not be permitted by the Committee.
