

Public Gifts to the Schools

The School Committee has the sole authority to accept gifts and offers of equipment for the schools when the gift is of educational value. Gifts will automatically become the property of the school system. All gifts of money, whether or not intended by the donor for a specific purpose, will be handled as a separate account and expended at the discretion of the Committee, as provided by law.

The Committee directs the Superintendent to assure that an appropriate expression of thanks is given all donors.
