Education Agency Relations Goals

The School Committee appreciates the place and importance of an education system in its greater environment, which includes other organizations and institutions dedicated to education.

It believes that much is gained through cooperative endeavors with other agencies. In order to make a maximum contribution to education, within the school system and to other educational agencies, the School Committee establishes these broad goals:

1. To encourage a liaison with other educational agencies.
2. To supply educational services to and/or share with other educational agencies.
