

STUDENT CONDUCT ON SCHOOL BUSES

The School Committee and its staff share with students and parents/guardians the responsibility for student safety during transportation to and from school. The authority for enforcing School Committee requirements of student conduct on buses will rest with the Building Principal.

To ensure the safety of all students who ride in buses, it may occasionally be necessary to revoke the privilege of transportation from a student who abuses this privilege. Parents/guardians of children whose behavior and misconduct on school buses endangers the health, safety and welfare of other riders will be notified that their children face the loss of transportation privileges in accordance with regulations approved by the School Committee. Suspension of bus rider privileges does not relieve the student from his/her responsibility to attend school. Suspension and/or revocation of riding privileges of any student will not afford a refund of bus fees for any reason.

Parents/guardians will be informed of these regulations via the school student/parent handbooks.
