

SUPPORT STAFF POSITIONS

The school system will employ support staff members in positions that function to support the educational program.

All support staff positions will be established initially by the School Committee. In each case, the Superintendent will submit for the Committee's consideration and action a job description or job specifications for the position.

Although positions may remain temporarily unfilled, or the number of persons holding the same type of position is reduced in the event of staff reduction requirements, only the School Committee may abolish a position it has created.
